Helpful Hints						
<p>Fill out as much as you can, the more information the better. If you don't know it or aren't sure, that's ok.</p> <p>Wheel/Tread Material - If a wheel has two materials list both (e.g. Rubber on Iron, Polyurethane on Plastic)</p> <p>Brakes - Many brakes are available, depending on wheel and series, we will advise you of your choices</p> <p>Please fax this to 216-631-4448</p>
