

Modular Enclosures

ADD CLEAN, QUIET, FLEXIBLE SPACE

Space is at a premium for most organizations and it's normally not located near the truck docks or shop floor. Shipping and receiving is as much an administrative task as it is a physical one. Starrco's modular enclosure system provides an easy-to-assemble office space solution for people, processes, and equipment.

Starrco modular offices feature:

- Easy tear-down for quick relocations
- Strong, durable construction
- Available integrated mezzanine systems
- Sustainable, recycled materials
- Seven-year tax depreciation

Add clean, quiet office space anywhere in your facility with Starrco Modular Offices.

Special offer!

10'x 10' x 8' high 4-wall Starrco modular office with:

- (1) 3'-0" x 6'-8" steel door with window
- (1) 4' wide 1/4" tempered safety glass window
- Modular Quick-Tric wiring for easy installation
- Electrical outlets and fluorescent lighting
- Acoustical grid ceiling
- GE 115V thru wall heat/cool unit with drain kit

Additional windows, doors, and load-bearing roofs are available.

Need help measuring? Don't want to install it yourself? We can help, just ask!
