

# Press Release

## Shane Hinton Joins as NW Ohio Salesperson

Cleveland, OH (March 1, 2016) - Conveyer & Caster - Equipment for Industry is excited to announce that Shane Hinton has joined our organization as our new Northwest Ohio Salesperson. Shane will be reinforcing our existing efforts in the Toledo, Findlay, and Bowling Green markets. Shane's primary responsibilities will include developing new business, maintaining and improving existing client relations, and identifying and providing material handling solutions that improve material flow.

Shane brings over 20 years of sales and management experience to Conveyer & Caster - Equipment for Industry. In his most recent role at Fletcher Machine, Shane was the Manager of Business Development tasked to attract and develop new customer relationships for their precision machining business. Shane holds a BA in Communications from Bowling Green State University.

### **About Conveyer & Caster - Equipment for Industry ([www.cc-efi.com](http://www.cc-efi.com)):**

Conveyer & Caster - Equipment for Industry is a third-generation, family-owned material handling solution provider based in the historic Ohio City neighborhood of Cleveland, Ohio. CC-EFI provides best-value storage and handling solutions that improve material flow in distribution, warehousing, manufacturing, health care, and food service operations with products like pallet rack, shelving, conveyors, casters, lift equipment, in plant offices, enclosures, mezzanines, and workstation cranes. CC-EFI provides full service solution development, procurement, installation, and commissioning for the solutions they provide.
