

Social Distancing Floor Signs

Protect Your Customers & Employees

Looking for products to help create boundaries while also enforcing social distance intervals and line management?

These affordable floor signs will help you to clearly identify that appropriate distance is being maintained in lines. These signs serve as a reminder at all times while also providing a safe working environment for employees.

Made from **extremely durable** materials, these OSHA and ANSI compliant safety products are ideal for indoor usage and can be installed in areas that will be wiped down frequently.

- **Protect your business** from potential legal issues or lawsuits while protecting your staff and customers.
- These **vibrant signs won't fade** from UV light.
- **Easy to install** - just peel and stick to any smooth surface, including floors, walls, doors and more.
- Products are **in stock** and ship in 48 hours.

Looking for other relevant products? Custom versions and outdoor floor signs are also available to manage customer interaction.
