

Polycarbonate Separation Panels

Keep Employees & Customers Safe and Separated

During this time of social distancing and keeping your employees safe, we are offering a product that can be stationary or mobile within your facility in order to offer some peace of mind to your employees who work in close proximity to each other. These are also great for use in restaurants and retail locations.

Standard Separation Panel Specifications

- 1 1/4 x 1 1/4 x welded angle frame
- 6'6" high with 4' x 3' clear polycarbonate window
- 2" square #14 gauge base with optional casters
